PROFESSIONAL SUMMARY

Enthusiastic and detail-oriented Frontend Developer with 1.7+ years of experience in building responsive, user-centric web applications. Proficient in HTML, CSS, JavaScript, and React.js with a strong understanding of UI/UX principles, RESTful APIs, and Redux Toolkit. Adept at collaborating with cross-functional teams to deliver scalable and optimized web solutions. Currently enhancing technical expertise through hands-on projects and continuous learning to stay updated with emerging technologies.

WORK EXPERIENCE

FRONTEND DEVELOPER | TATA CONSULTANCY SERVICES (TCS) | SEPTEMBER 2023 – PRESENT

- Developed and maintained responsive web applications using HTML, CSS, and JavaScript.
- Created and optimized reusable UI components for better performance.
- Collaborated with backend teams to integrate REST APIs and ensure seamless data flow.
- Improved web application performance by 20% through efficient code practices.
- Participated in Agile sprints and contributed to UI enhancements and bug fixes.

EDUCATION

- Master of Computer Application (MCA) | Pursuing Online | Lovely Professional University (LPU), Punjab, India
- Bachelor of Computer Applications (BCA) | June 2022 | 75.66% | Bareilly College, Bareilly, Uttar Pradesh, India
- Board of Higher Secondary Education (10+2, PCM) | May 2019 | 58.5% | Saraswati Balika Vidhya Mandir Inter College, Bareilly, Uttar Pradesh, India
- Board of Secondary Education (10th) | June 2017 | 75.5% | Saraswati Balika Vidhya Mandir Inter College, Bareilly, Uttar Pradesh, India

TECHNICAL SKILLS

- Frontend Technologies: HTML, CSS, JavaScript, React.js, Bootstrap
- Programming Languages: Java, C++, SQL
- Version Control: Git, GitHub
- Web Development: Responsive Web Design, API Integration, UI/UX Principles, Cross-Browser Compatibility, Redux Toolkit
- Tools & Platforms: VS Code, Chrome Dev Tools
- Soft Skills: Problem-solving and Team Collaboration

PERSONAL PROJECTS

E-COMMERCE WEBSITE (IN PROGRESS)- Actively developing key features and UI enhancements)

Tech Stack: React.js, Redux, REST APIs, HTML, CSS

- Developing a fully responsive e-commerce platform featuring product listings, category filters, shopping cart, and secure checkout flow.
- Using React.js for dynamic component rendering and Redux for efficient global state management.
- Integrating RESTful APIs to fetch and manage product, user, and cart data in real-time.
- Focusing on UI/UX design to ensure smooth navigation, visual consistency, and fast load times across devices.
- Targeting deployment with backend integration and authentication in upcoming milestones.

ONLINE ADMISSION PORTAL (Mar 2022 – Jul 2022 | MJPRU, Bareilly)

Tech Stack: HTML, CSS, JavaScript, Java, MySQL

- Designed and developed a responsive web portal to streamline the student admission process.
- Implemented user registration, profile management, and secure document upload features.
- Integrated fee payment system with automated receipt generation.
- Enabled real-time application status tracking for students.
- Built an admin panel for managing student applications and approvals.
- Improved operational efficiency by reducing manual workload and enhancing communication.

PORTFOLIO WEBSITE (Completed | Currently being redesigned for improvements)

- Designed and developed a personal portfolio showcasing work experience, projects, and technical skills.
- Built with HTML, CSS, JavaScript, and deployed on GitHub Pages.
- Implemented responsive design principles for a seamless mobile and desktop experience

CERTIFICATIONS

- Career Essential in Software development by Microsoft and LinkedIn
- Java Programming Certification by Udemy
- Career Essentials in GitHub professional certificate by GitHub and LinkedIn
- Data Analytics Essentials by Cisco Networking Academy
- Microsoft Azure AI essentials professional certificate by Microsoft and LinkedIn
- Responsive Web Design Certificate by LinkedIn
- NodeJS internals and Architecture by Udemy

ACHIEVEMENT

- Recognized for delivering high-quality frontend solutions and resolving critical UI bugs within deadlines.
- Awarded "Best Performer" for effective knowledge transfer and mentoring junior team members.
- In appreciation of outstanding contribution to the organization awarded, "On-the-Spot Award".
- Resolved 90% UI bugs within defined timelines, improving overall application efficiency.

ACTIVITY

- Participated in coding hackathons and technical workshops focused on frontend development.
- Regular contributor to open-source projects and communities related to web development.

HOBBIES

- Technical interest in coding, debugging, and troubleshooting systems.
- Outdoor activities including mountain climbing and trekking.
